Matt and Kathie:

This data set has some Rejected data qualifiers. I don't think we would want to post rejected data. I think it would be best to delete the rejected lines of data and just not have a result.

Thoughts ? I can delete them from here or you can.

Terry

Subject: RE: Region 6 Animas/San Juan River Water Sampling data for August 6th Updated Spreadsheet

Please find attached the Region 6 Data from August 6th. We have removed the Water System name and added a sampling ID. All of the other data we sent up last night is good to be loaded. Thank you
